DESCRIPTION

For rent a spacious semi-detached house in Saska Kępa district together with the garden with a usable area of 180 sq.m. perfectly located in a quiet, green neighborhood in the Prague district. Great location: very close to bus station and the city centre. Very good access to the centre and other districts. The house has been refreshed and refurbished. It consists of two levels: Ground floor: a wooden kitchen, spacious living room with a fireplace and exit to the partly covered terrace, a bedroom, a bathroom with a shower, a storage room, a big garage. Floor: 3 bedrooms, a bathroom with a bath, a hall with a balustrade overlooking the living room. There is also a garden where in summer you can spend time and relax. The area is very quiet and safe. You don't completely feel that there are neighbours because the house is surrounded by a high fence at the back, so nothing is visible from the street. :Layout of the rooms has been thoroughly considered. The house is very comfortable and functional.
